Referee and Timekeeper Training Course

This course is free.

Venue: Acorn Judo Club, Digby War Memorial Hall, North Street, Digby,
Lincolnshire, LN4 3LY

This training course is open to a wide range of players and parents.

Timekeeping and Recording is something anyone can do whether you have done Judo or not (Most T/K/R's are players parents). The course is **open to everyone**. However, it must be noted that you cannot get an official Junior Award until you are 13 years old, but that shouldn't stop you getting involved and starting to learn if you are younger.

To have a go at the Refereeing side you need to be a Senior Judo Player - To officially qualify as a referee you need to hold a minimum grade of Green belt. But if you are a lower grade please still feel free to come along to the course and have a go.

Theory 10.30pm until 1.00pm

Practical 1.00pm until circa 4.00pm

QUALIFIED REFEREES AND TKR – Please also attend.
